SCORING:

A participating school must have five (5) runners finishing to obtain a team score (runners scoring 6th and 7th are displacement). If a team fails to finish five runners, individual runners forfeit their place in team scoring.

The runners will receive two paychecks after they are in the chute. The blue one will be overall place; the yellow one will be for team scoring. Places will be recorded as the athlete leaves the chute. Upon leaving the chute the runners will immediately give the paychecks to their coach. Coaches will then record team placings on a score card and return the paycheck and score card to the official at the scorer's table.

RESULTS:

Official results will be available at the banquet to be served in the Cedarville College dining hall.

AWARDS AND ALL-AMERICAN SELECTIONS:

Awards will be presented at the banquet at 1:30 p.m. The top ten men will receive plaques. The first-place team receives a banner while the second, third, and fourth-place teams receive NCCAA plaques. The top ten men automatically become All-Americans along with three Coaches' All-Americans to be selected from among those athletes who are recommended by their coaches on the All-American nomination form. Nomination forms must be received before the coaches' meeting to be held on Friday, November 12.

The top ten women will receive trophies. The top four teams (not to exceed one-half of the number of teams entered) will receive team trophies.

Although trophies will not be given separately by division, Division II individual and team winners will be recognized at the banquet.
